

# The origin and molding of Peking Diet Culture

WAN Jianzhong

Abstract : Peking Diet Culture has a prominent place in Chinese Diet Culture and is a miniature of Chinese Diet Culture. Peking Diet Culture started with *Homo erectus pekinensis*. From “Beijing Man”, “New Cave Man”, “Upper Cave Man” to “East-hulin Man” and to “Shang-zhai culture”, at last, to “Snow-mountain Man”, we can describe the rough track about the evolution of the diet that human being of Beijing area moved from mountain district (caves) to hilly region to piedmont flat, and finally, to Plain in the Age of Primitive Society. With Several hundred thousand years of development, the historical accumulation of Beijing is the most remarkable. It formed the layout that fused the nomadic and farming dietetic flavor and coexisted the multi-diet-form. Especially, during the Liao and Jin Dynasties, Peking Diet Culture fully demonstrated its unique glamour as the political central diet culture in the whole country.

Key-words : Peking Diet Culture; origin; fusion; molding; unique glamour
